

Important Notification regarding Surcharge Free access to U.S. Bank ATMs

We wanted to inform you about a recent change regarding your surcharge free access to US Bank ATMs. Because US Bank is no longer participating in the MoneyPass network, their ATMs are no longer free to use.

What this means to you:

Union Savings Bank's customers will no longer be able to use USBank ATMs **surcharge free**, however...

What can I do instead?

You still have surcharge free access to ATMs that are in the MoneyPass and Alliance One networks. We have an [ATM locator](#) on our website or you can visit their links directly at MoneyPass.com and allianceone.coop

How many ATM's are available to me to use surcharge free?

There are more than 35,000 ATMs available to you nationwide, free of charge.

What if I am having trouble or have questions?

If you are having difficulties finding a convenient ATM or have any questions, please contact your [home branch](#) and we will be happy to assist you.
